# OAKS PARK

On Sunday, July 16 there will be an All-Church Picnic. It will be bigger, better, greener and cooler than last year's! We return to Oaks Park with a bigger location on the grass. Over 100 people enjoyed our picnic in the park in 2005, so don't miss out this year! We'll provide the main dish and beverages. You provide a side-dish, dessert and the fun! Event begins at 1:00 PM. Collins Kitchen is available to store your special dish during morning worship. Bring your outdoor games and enjoy the afternoon.

# memo

Rev. Dr. Arvin Luchs

There are three beats to the cadence in the rhythm of a Christian life. There is the relationship of our human soul to the divine -- our personal, spiritual experience of God's presence. Then beats our connection with other believers-- our relationships within the community of faith, the church. Finally, there is our outreach to others in our community and throughout the world.

We emphasized all three beats last week when we recognized three wonderful volunteers.

John Wesley, Methodism's founder, knew that a soul in touch with God's Spirit is bursting with joy and energy. It's hard to be around Betty Hagar without becoming infected with a warm, energetic, and loving joy. Whether it is serving coffee break snacks to the Shovel and Rake Gang, sharing a butterscotch or chocolate kiss while folding newsletters, or offering a greeting to anyone nearby, Betty exudes God's grace. A new member told me that he had visited a number of churches in the area and found that each had their strengths. He joined us because of Betty's welcoming hug. We recognize *Elizabeth "Betty" Hagar* with the *Wesley Spirit Award*.

She moves quietly and gently among us. But Erin Riley has faithfully linked us to one another with unfailing hospitality. Each Sunday Erin, ably abetted by her husband Bob Fujimoto and her children, Daniel and Jeff, coordinates our coffee times and hallway snacks. But it doesn't stop there, she also coordinates meals for our youth and pitches in as an adult advisor. For all she does to strengthen our community of faith, *Erin Riley* is the worthy recipient of the *Guy Wheatley Award* recognizing service to our congregation.

Tireless and passionate in her concern that Christians reach out in care and compassion to the world. Dee Poujade has participated in numerous Volunteer in Mission teams. They have taken her to serve in Central America, South America, Southeast Asia, Europe and hurricane-ravaged Mississippi. On her return, she has shared her experiences, photos and stories with congregations around the region. As a member (now chair) of our Global Mission Committee, she calls us all to care in Christ's spirit. Dee's energy spills over into local ministries as well. She is a regular volunteer at the Goose Hollow Family Shelter and, when we are short volunteers, she has been known to drop everything and come to help at a moment's notice. Clearly *Doral "Dee" Poujade* has demonstrated the spirit of outreach which we celebrate in the *Lewis Hughes Award*.

Our congregation, our community, our world is blest by the many dedicated volunteers who find a spiritual home at First UMC. Our heartfelt thanks to you all! And this year, we rejoice in the bold way our 2006 Volunteers of the Year share the rhythms of faith. Betty, Erin, Dee, we thank God for your ministries.

See you in Church!

*Arvin*

P.S. I am writing on return from the annual (regional) conference of United Methodists. The next issue will feature reports from our members about this important event. ARL

# shovel & rake

a report

Beginning July 1, 2006, the Shovel & Rake Gang will welcome a new coordinator. Terry Connell will be replacing Jim McManus who has chosen to retire from that position after six and a half years of leadership. Terry is a present member of the Gang and Jim will continue to be.

There have been several major changes and projects since 1999: landscaping around the Chapel, the north bank terraced and landscaped; west of the gym terraced and landscaped; the Chapel-Library-Office garden landscaped and NYNOS fountain built and installed there; the Rose Garden renovated and a new rail built around it; lawns completely renovated; Peg Brockman Memorial Garden installed; new lawn created between gym and Max Station; year-round flowers in Beckham Court. These works were accomplished while routine jobs of keeping our building and grounds in good shape continued.

Now the gang is clearing for re-landscaping all of the bank east of the sanctuary except for its existing lawn and azalea bed. Also clearing, terracing and landscaping the area north of the sanctuary is planned to be started as soon as funds become available.

This "extra work" has been done by a group of men and women who have worked faithfully, some for more than 20 years, to make and keep our unusually large campus a source of beauty and inspiration.

Our heartfelt thanks to the volunteers who meet Thursday mornings, 49 weeks each year, to work with what some have called "the best fellowship group anywhere." We give thanks, also, for former Coordinators Clarence Hulse and Guy Wheaton and all who worked beside them in accomplishing so much throughout those earlier years.

Current Shovel & Rake Members: Cal Brockman, Sr., Robert Cannon, Art Carpenter; Terry Connell, Bernie Cook, John Coppett, Tom Foster, Jeff Fujimoto, Lowell Greathouse, Betty Hager, Annie Heart, Bruce Hendrickson, Robert Hetzer, Ted Hoch, Lyle Iverson, June Kinney, Elwyn Kinney, Sue Luchs, Arvin Luchs, Bill MacDonald, Jim Manuel, Jim McManus, Debbie Morse, Walter Okell, Dick Pomeroy, Earl Riddle, George Rives, Bill Rizzo, David Rullman, Larry Sawyer, Karen Smith, Loren Smith, Eleanor Stubbs, Allan Van Hoeter, Bob Weber, and Honorary Members Dick Clark and Jim Whitcomb.
