## Hunger Awareness Sunday

**Sunday, November 19, 2006**

### THIS SUNDAY

NOVEMBER 19, 2006

WORSHIP  
10:30 AM

#### PREACHING

Rev. Dr. Arvin Luchs

#### A CONVERSATION WITH OUR CHILDREN

Rev. Dr. Lowell Greathouse

As a Reconciling Congregation, members of First United Methodist Church have pledged to welcome and support all who want to worship with us, regardless of race, gender, class or sexual orientation.

We are THE LEADERS WE HAVE BEEN WAITING FOR.

- Rev. Dr. Bob Edgar, keynote speaker at last week's Oregon Faith Roundtable Against Hunger's annual Harvest of Hope Awards breakfast.

Dr. Edgar's words seem appropriate as I digest the results of this week's election returns. I am hopeful that our newly elected politicians are the leaders we have been waiting for, and that they will work to create an environment that insures the health, safety and well-being of all the children of the world. Rev. Edgar also said we need to water the seeds we have planted. This new generation of political leaders are the seeds we have planted and they will need our help to grow the dreams we, as people of faith, value. One of these dreams is that budgets reflect consideration for the working poor by making health care, food and housing a priority, and that peace, not war, becomes a reality.

The United Methodist Church Oregon/Idaho Conference, under the leadership of Bishop Robert Hoshibata, was honored at the breakfast last week for his Initiative to Eliminate Hunger. He has planted a seed that challenges today's leaders in our church to advocate for the hungry and to address the root causes of hunger. He too believes we are the leaders we have been waiting for. We are the leaders called to challenge the new political administration to value the lives of hungry children and to negotiate budget and policy changes that reflect a value system that nurtures and sustains life.

At First UMC I am appreciative to find many leaders planting seeds to address the causes of hunger, advocating for health care, and affordable housing.:

**The Hunger Task Force** at First UMC is committed to finding ways to eliminate hunger through increased giving, volunteering, and using our roles as citizens to promote just laws and policies that do not relegate people to poverty and hunger.

**The Health Care Taskforce** has joined with the Kitzhaber led Archimedes Movement to address the growing concern over our health care system in Oregon.

**The Goose Hollow Family Homeless Shelter** at First UMC continues to expand its mission to provide families without homes a safe, warm, nurturing environment in the form of emergency night shelter. More importantly we continue to work toward fixing the societal problems that allow homelessness to exist.

We are the leaders we have been waiting for and with social justice leaders like us living our faith in the world in ways that reflect the restorative gospel and ministry of Jesus whose mission was intentional, inclusive, and engaged community in ways that healed the body, mind, and spirit, it is not difficult for me to imagine a world that nurtures every person's potential as whole, loved, and gifted human beings, and where every child feels safe, loved, and celebrated. We are the leaders we have been waiting for and we can be the change we want in the world.

# memo

Rev. Dr. Arvin R. Luchs

If anything in Jesus' ministry is particularly clear it is that children hold a special place. When asked who would be greatest in God's reign, he embraced a child and said, "Whoever becomes humble like this child is the greatest in the kingdom of heaven. Whoever welcomes one such child in my name welcomes me." (1) If that is true, then we are not very welcoming.

That's the conclusion of Dr. Marion Wright Edelman head of The Children's Defense Fund, the respected "watchdog" of American's children. (2) What they have to say is alarming to me-perhaps it will be to you, as well.

On an ordinary day in America:

- 1 mother dies in childbirth.
- 4 children are killed by abuse or neglect.
- 5 children or teens commit suicide.
- 8 children or teens are killed by firearms.
- 77 babies die before their first birthdays.
- 860 babies are born at low birth weight.
- 2,076 babies are born without health insurance.
- 59,768 children in Oregon (1 in every 5) will wake up in poverty.
- 169,892 children in Oregon will eat a meal provided by food stamps. (3)

Thankfully Edelman does more than shock-she suggests action. (4)

- a. Support the CDF's "No Child Left Behind" initiative.
- b. Help build a persistent, powerful witness for Children. (First Church has supported both "Children First," and "Stand for Children.")
- c. Remember that justice for children is our goal.
- d. Vote for children who cannot vote for themselves
- e. Practice the highest form of patriotism by asking hard questions and helping our leaders honor America's highest ideals.
- f. Wake up, be strong and courageous, persevere, and be ready for action as God lifts the curtain on the next act of history.
- g. Pray without ceasing and trust God to hear our persistent pleas and to bless our work to feed, house, protect and educate all God's children.

She has penned a provocative prayer that deserves to be on our lips:

*God, please forgive and transform our rich nation where small children suffer from hunger quite legally. God, please forgive and transform our powerful nation where toddlers and schoolchildren die from guns sold quite legally. God, please forgive and transform our rich nation that lets children be the poorest group of citizens quite legally. God, please forgive and transform our rich nation that lets the rich continue to get more at the expense of the poor quite legally. God, please forgive and transform our rich nation that thinks security rests in missiles rather than in mothers, and in bombs rather than in babies. God, please help our rich nation to give you sufficient thanks by giving to all your children their daily bread. God, please help us never to confuse what is quite legal with what is just and right in your sight. Help us to do what is just and right in your sight for all the children of America and the world so that peace with justice will prevail and no child is left behind. Amen.*

See you in Church!

### CHRISTMAS MUSIC

On Sunday, November 26, 2006, at 9:15 AM in the Fireside Room, Chuck Klang will present Christmas Music from his CD collection. ### CHILDREN’S CHURCH SUNDAY, NOVEMBER 26

Children's Church will occur on the fourth Sunday of the month for kids in Kindergarten through 5th grade. The next Children’s Church scheduled is Sunday, November 26, 2006. The kids will meet in the Chapel for a 20-minute service. Parents should meet their children at the Chapel.

### WORLD AIDS DAY

In Advent we are especially reminded to look beyond our own needs to those of others. A part of our worship service on Sunday, December 3, 2006 will be observing World AIDS Day.

As a part of our observance of World AIDS Day, we will be viewing the film, *A Closer Walk*. Academy Award nominee Robert Bilheimer’s film about the global AIDS epidemic is narrated by Glenn Close and Will Smith. *A Closer Walk* features cinematography by Richard D. Young, interviews with the Dalai Lama, Bono, and Kofi Annan, and musical contributions by Annie Lennox, the Neville Brothers, Eric Clapton, and Sade. ## thank for your generous response

On Sunday, November 5, 2006 we held our Commitment Sunday service. In the months prior to this service you have been asked to pray the simple prayer, "Here I am, Lord!" On Commitment Sunday the people of First Church responded overwhelmingly, "Here, I am, Lord ... ready to give." To date we have received 262 estimate of giving cards, totaling commitments for:

# \$671,300

It is not too late to respond with your estimate of giving for 2007. If you need an estimate of giving card, please call the church office at 503/228-3195 and a card will be mailed to you. Arthur Ashe, world-famous tennis player gives us these words of wisdom: "From what we get, we can make a living; what we give, however, makes a life."

## Rev. Lowell Greathouse, Minister of Discipleship

Over the years, I have used the meditations of a number of spiritual companions as a part of my daily morning time of quiet, prayer, and reflection. These companions have ranged from Thomas Merton to Madeleine L' Engle, from Rumi to Howard Thurman. There are many great companions to choose from, and they each can stretch our understandings of life.

Is there someone whose life work you'd like to use as a source for your own reflection about the meaning of life? Why not find a spiritual companion and begin your journey together.
