

2015 Guide to Building Use

First United Methodist Church of Portland (FUMC) is a busy place. Its primary purpose is to carry on the ministry of the local church. The church has an active ministry to children, youth, adults, and senior adults. It has a significant outreach into the community through the Goose Hollow Family Shelter and other social services. The music program of the church is one of the finest in the city. The programs and people of FUMC are the top priority when it comes to building use.

Building use activities fall under the jurisdiction of the Board of Trustees. Building use is managed by the Church Administrator. No commitment for building use is finalized until the Room Use Agreement has been completed and executed by the Church Administrator.

FUMC has a number of long-standing relationships with several community organizations for ongoing use. Availability for such ongoing usage is limited but can be considered.

Local organizations and individuals for one-time or short-term usage also use FUMC. When possible we attempt to make our facility available for such groups. Our first priority is to FUMC programs and membership needs. Priority is then given to nonprofit groups that are supported by FUMC and then finally to other nonprofit organizations.

Approval of the use of the grounds and facilities of FUMC does not constitute or imply endorsement of a group, their mission, or their positions. Groups approved to use facilities at FUMC must not advertise the event in such a way as to imply endorsement by the congregation. No activities or advocacy may take place within FUMC, its buildings or grounds that conflicts with the Discipline and the practices of this congregation and the United Methodist Church.

In the event of inclement weather, groups should check the website, www.fumcpdx.org to determine if the building is open.

Included in this guide are the following:
